

Employment Opportunity

Title Tandem Dump Truck Driver w/ Trailers (Class 1)

Department Operations

Reports to Operations Manager

Job Summary

Our client is an established excavation contractor operating in Calgary and the surrounding area. We are looking for an experienced residential Tandem Dump Truck Driver w/ Trailers (Tandem/Tri -Pup, End Dump and Equipment Mobilization) to join their team. This position is available as full-time employment with a competitive wage and benefits. May also be called upon to operate other equipment or engage in activities as the company sees fit.

Our client is committed to providing a workplace where every employee feels valued, respected, and empowered.

Essential Job Functions

- Work independently
- Haul material to various locations throughout Calgary and surrounding area
- Pull Pup, Demo, Rock Box and Equipment Trailers
- Equipment mobilization to various sites in a timely manner
- Experience in the safe loading and unloading, and/or operating of equipment and attachments
- Effective communicate in English both verbally and written
- Conduct equipment and site inspections
- Maintain trucks in a clean and operable condition
- The physical demands of the job include lifting, pushing, and pulling objects weighing over 50 pounds. The position also requires climbing on and off a trailer as part of the assigned duties

Minimum Requirements

- Class1 Driver's License with clean driving record
- 5+ years Tandem experience hauling pup, end dump trailers, and mobilizing equipment
- Residential and commercial construction experience required
- Valid certification in First Aid
- Own transportation required
